USAC Denial

dbucholtz@newhopecharterschool.com

Dear FCC,

We have received a DENIAL letter from USAC in regards to our 471 filing window. We were NOT aware of this window due to the fact that we are a new charter school and did not have the resources that public schools have to submit within this window. I have filed an appeal with USAC and that was denied. So under their instructions I have to file this appeal with the FCC to get our grant so we can keep our doors open. Our success depends on monies like this. With our school having a 96 % free or reduced lunch, we need this. Thank you and whatever other information is necessary to complete this please let me know
